SUBJECT: Minor Offense Citations Filed Electronically Pursuant to Minor

Note: This bulletin applies to minor offense citations electronically filed pursuant to Minor Offense Rule 22. This bulletin does not apply to minor offense citations submitted through TrueFiling in eFiling locations. All citations identified in Section A.2 may be submitted electronically in eFiling locations. A list of current eFiling locations is available at <https://courts.alaska.gov/efile/index.htm>.

Minor Offense Rule 22 authorizes the Administrative Director to enter into an agreement with a law enforcement agency to allow that agency to file citations charging minor offenses electronically if the agency's systems and procedures include certain requirements, as listed in the Rule. This administrative bulletin identifies minor offense citations that may be filed electronically under Minor Offense Rule 22 based on a law enforcement agency's agreement with the ACS. This bulletin references Administrative Bulletin 39, which addresses processing and filing minor offense citations by municipalities.

A. **State of Alaska, Federal Agencies, and Non-Payee Cities** (as defined in Administrative Bulletin 39, a non-payee city is a municipality that files all citations [mandatory and optional court appearances] with the court):

1. **Agreement.** A State of Alaska or non-payee city law enforcement agency or a federal law enforcement agency authorized to issue citations for state law offenses may enter an agreement with the administrative director allowing it to electronically file minor offense citations with the court. If the agency has entered into an agreement, it may electronically file citations issued for all minor offenses as defined in Minor Offense Rule 2 **except** as provided in Section A.2 immediately below.

2. **Citations That May Not Be Filed Electronically.**

The following minor offense citations issued by a State of Alaska, federal government, or non-payee law enforcement agency may **not** be filed electronically:

B. **Payee Cities** (as defined in Administrative Bulletin 39, a payee city is a municipality in which the citations for optional court appearance offenses are filed with the municipality and defendants send their responses to the citation to the municipality):

If a law enforcement agency that is an agency of a payee city has entered an agreement with the administrative director allowing it to file minor offense optional court appearance citations electronically with the court when requesting a default judgment, it may electronically file citations seeking a default judgment for all minor offenses as defined in Minor Offense Rule 2 electronically **except** for:
