
Localized Forms Catalog

Instructions

1. To Order Court Forms

Use the Forms Requisition (ADM-302) to order all court forms and pamphlets.

When ordering a form from this catalog, be sure to use the full form number (including the part indicating the court location) or you may get the statewide version of the form instead of your localized version.

Court Supply does not keep supplies of localized forms in inventory. So, when you order a form from this catalog, you will need to allow 10 to 14 days for printing and delivery.

2. Forms Not Listed in This Catalog

The only forms you may order from Court Supply are those listed for your court in this catalog and those listed in the Statewide Forms Catalog. For any other forms, you must follow the instructions in paragraph 3 concerning requests for new forms.

3. To Request New Forms or Changes in Forms

If you want to create a new form or change an existing form, fill out form ADM-500 (Form Request) and send it along with a copy of your new or revised form to:

Dorne Hawxhurst
820 W. 4th Avenue
Anchorage, AK 99501-2005

A copy of ADM-500 is included as the last page of the statewide Forms Catalog.

This catalog lists the latest versions of all localized court forms as of April 30, 2012. It is available on the court system's website: <http://www.courts.alaska.gov/forms.htm#catalogs>

Please recycle all previous editions.
