ORDER NO. 726

Amending Appellate Rule 204(b)
to require the appellants
current addresses.

IT IS ORDERED:

Appellate Rule 204(b) is amended to provide:

(b) Notice of Appeal. A party may appeal from a judgment by filing a notice of appeal with the court from which the appeal is being taken. The notice of appeal must specify the parties taking the appeal and their current addresses, designate the judgment or part thereof appealed from, and name the court to which the appeal is taken. The notice of appeal shall be accompanied by proof of service on all other parties to the action in the trial court. As provided elsewhere in these rules, at the time it is served and filed the notice of appeal shall be accompanied by a statement of points on appeal (Rule 210(e)) and designation of record on appeal (Rule 210 (a)(1)) and, if required, by the filing fee (Rule 204 (h)) and a bond for costs on appeal (Rule 204(c) (1)). If a motion for an extension of time to file the statement of points on appeal or designation of record on appeal has been filed with the appellate court, the appellant shall serve and file with the notice of appeal a written statement to that effect. A motion to waive bond on appeal pursuant to Rule 204(c), or to appeal at public expense pursuant to Rule 209, may be filed along with the notice of appeal. Otherwise, the clerk of the trial courts shall refuse to accept for filing any notice of appeal not conforming to this paragraph.
