IN THE SUPREME COURT FOR THE STATE OF ALASKA

ORDER NO. ___807

Amending Criminal Rule 24(a) and (d) concerning procedures for jury examination and challenges

IT IS ORDERED:

Criminal Rule 24(a), (d) and (e) are amended to provide:

- (a) Examination. The court shall require the jury to be selected in a prompt manner. The court may permit the defendant or his attorney and the prosecuting attorney to conduct the examination of prospective jurors or may itself conduct the examination. In the latter event the court shall permit the defendant or his attorney and the prosecuting attorney to supplement the examination by such further inquiry as it deems proper or shall itself submit to the prospective jurors such additional questions by the parties or their attorneys as it deems proper. The court may also require the parties to question the panel as a whole rather than individually and impose reasonable time limits on the examination of prospective jurors.
- (d) Peremptory Challenges. A party who waives peremptory challenge as to the jurors in the box does not thereby lose the challenge but may exercise it as to new jurors who may be called. A juror peremptorily challenged is excused without cause. If the offense is punishable by imprisonment for more than one year, the state is entitled to six peremptory challenges and the defendant or defendants jointly to 10 peremptory challenges. If the offense charged is punishable by imprisonment for not more than one year, or by fine or both,

each side is entitled to three peremptory challenges. If there is more than one defendant, the court may allow the defendants additional peremptory challenges and permit them to be exercised separately or jointly.

(e) Procedure for Using Challenges. The court has discretion to set procedures for the exercise of challenges and for the replacement of challenged jurors.
