

**PLAN ADOPTED BY THE POLYNESIAN
COMMUNITY
AND
THE ALASKA COURT SYSTEM
FOR RESTORATIVE JUSTICE REFERRALS
UNDER CRIMINAL RULE II(i)**

This PLAN adopted by Polynesian Community and the Alaska Court System sets out the procedures for the referral of matters relating to criminal cases involving Community members and descendants of members.

PARTIES: This PLAN is made and entered into by the Polynesian Community and the Alaska Court System on behalf of the Anchorage Trial Courts ("[] Court" or "Court").

PURPOSE: The purpose of this PLAN is to involve the Community and traditional restorative justice approaches in Alaska Court System cases involving community members, recognizing that outcomes in these cases improve when the delivery of justice involves collaborative and community-based programs.

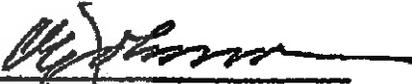

The Court's efforts to impose meaningful and relevant consequences for the defendant, the community, and the victim will be aided by restorative justice program sentencing recommendations that reflect the community's assessment of the impacts of the criminal behavior and that integrate local wisdom and cultural norms.

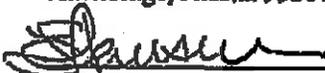

BOTH PARTIES AGREE TO THE FOLLOWING PROCEDURES:

1. The Community will monitor the daily Court calendar for Community members or member descendants. The Community will submit a request for a copy of the relevant charging documents from the case file, which the Court will provide to the Community within 5 working business days of receipt of the request. The Court will not charge the Tribe for these documents.
 2. Within 10 working business days after receiving the documents, the Community will notify the Court whether it wishes to conduct a proceeding as to that defendant.
 3. If the Community notifies the Court that it wishes to conduct the proceeding as to that defendant, the Court will notify the parties of this request. If the defendant subsequently is convicted of the crime, the Court will, within 5 working business days of the conviction, notify the Community of the date that the defendant will be sentenced and whether the prosecution, defense and victim (if any) have consented to a referral. Provided that the necessary consents have been obtained, the Court will also formally refer the case to the Community at that time to conduct a proceeding. The notice and referral, if any, will identify the charge of which the defendant was convicted, any mandatory sentencing requirements (such as the presumptive or minimum term that the defendant must serve in jail), and any agreement the defendant and the state made regarding the conviction. When a case has been referred to the Community under these procedures, the Court will set sentencing for a date at least 60 days after the date of conviction.
-

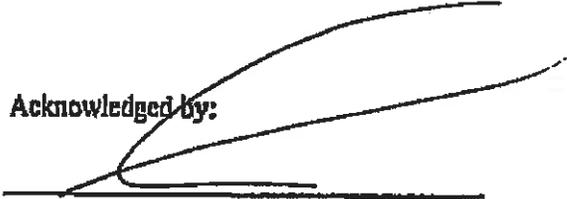

4. After a case is referred to the Community, the Community will take the necessary steps to convene and conduct the proceeding. The Community will promptly notify the Court if it needs the Court to change the sentencing date.
5. The Community will complete the proceeding no later than 10 days prior to the Court sentencing date. The Community will inform the Court, district attorney, the defendant, and the defendant's lawyer, if any, of the proceeding date at least 5 days prior to that date.
6. Through this community-based process, the proceeding will identify proposed terms of the defendant's sentence, which may require culturally relevant activities, a drug and alcohol assessment and treatment, restitution (such as money or services for the victim), or other steps.
7. At the end of the proceeding, the Community will prepare a written report, which will state each component of the recommended sentence and timeframe for completion of each component. This report shall be provided to the Court, the defendant, the defendant's attorney and the district attorney at least 5 days before the date of the sentencing.
8. The Court will carefully and respectfully consider the recommendation of the proceeding. The parties understand, however, that the Court is not bound by that recommendation.
9. The parties agree to meet from time to time to review the implementation of this PLAN and to make any revisions they find to be appropriate.
10. Nothing in this PLAN prevents the Community from conducting a proceeding after notification of defendant's conviction and providing a sentencing recommendation to the Court, even if a formal referral has not been made.
